Dear Belle,

On behalf of the Tallahassee Region Antique Automobile Club of America, (TRAACA), please accept our sincere condolences on the loss of your husband, Craig. He will always be fondly remembered for his twenty - plus years of service, hard work, and dedication to this Car Club. Craig was the Club's enthusiastic "spark plug " and the driving force for the success of the annual Monticello Watermelon Festival Car Show. He will be greatly missed by his many friends and fellow car enthusiasts.

This letter is also sent as our acknowledgement of your very thoughtful and generous donation of \$2000, to honor the life and memory of your beloved husband. On behalf of all the members of TRAACA, please accept our sincerest appreciation and gratitude. As you requested, this donation will be applied to the TRAACA Jack Hanbury Scholarship Fund for the Lively Technical College Automotive Services Tech II program.

We will share a copy of your kind donation and this letter of acknowledgement with the Club members. We know this is a very difficult time for you, and we sincerely wish you peace and comfort in the days to come.

Warmest regards,

  
John A. Lester  
President

## **Trivia Question Section**

**What was the first American made car that came with a “Perpetual Guarantee” ?**

The Acme brand was advertised as having the Perpetual Guarantee in 1904. This proved a short one as they went out of business a few years later.
