WATERMELON FESTIVAL CAR SHOW 2022

This year's Car Show was again hosted by the Tallahassee Region Antique Automobile Club of America (TRAACA) and was held in The First Bank's parking lot following the Watermelon Festival parade in which some of the vehicles participated. There was one motorcycle, and 62 cars and trucks, with many of the trucks filling adjacent Cherry Street. Entries included categories of Antiques, Classics, Late Models, Hot Rods, Modifieds, Trucks and Motorcycles.

Trophies were awarded at noon starting with the 50/50 cash raffle which was open to all; the lucky cash winner won \$150. Vehicle owners won additional prizes due to generous donations from local businesses: Morgan's Garage, Car Quest, Tractor Supply Co. TSC, and car models, truck models, books and other items were donated by TRAACA members. Gift Certificates were donated by Gulf Coast Lumber & Supply, Johnston's Meat Market, Established in 1970, TRAACA is family oriented and participates in many activities to include tours, displays, cruises, rallies, and regional/national AACA events. CAR QUEST DONATES A LAWN GIFT CERTIFICATES FOR OUR AUCTION

Our annual Car Show was a hit, as it usually is.

A lot of hard work and sweat went into this.

It paid off.

Car Quest, and Monty Morgan donated Car Quest has been very generous to the club over the years, and has supported us at the show.

Monty Morgan entered his 1956 Chevrolet 3600 Military Truck in the show. It was very well received and admired. It was marked as a 1950's U.S. army light truck. He drives

this frequently around town. Thanks Monty and Car Quest for the donation and the support over the years. We look forward to many more years with you, CarQuest, and Morgan's Garage.

TRACA GARAGE TOUR

On Saturday, July 23rd, our club made a three stop restoration garage tour around Tallahassee. This gave the opportunity to our members that wished, to drive their classics, and see what these shops were involved in. The tour ended up at Neal Davis' shop for a nice hamburger lunch, provided by Neal, and a great tour of his facilities. He always has the neatest projects going on, and loves to show them to our club members.

The tour was enjoyed by the members, and will hopefully be repeated yearly.

THANK YOU TO TRAACA MEMBERS

I would like to take this space to thank all the TRAACA members that worked so hard to make this show a success!

Everyone that showed up and entered cars. Your support was greatly appreciated.

The members parking cars, doing registrations, made things run the smoothest I have ever seen at this show. GREAT JOB!

Tommy and KK— You are naturals at selling those darn 50/50 tickets. People just can't say no to you.....you won't let them!

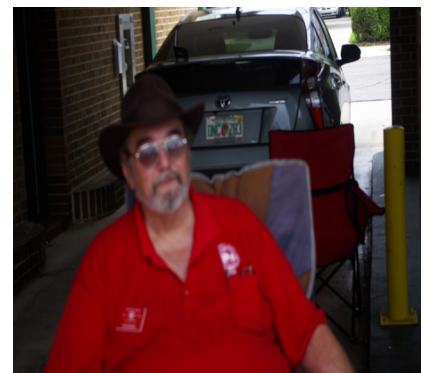

Chuck Kunstbeck, was in charge of the Parade line up of show cars this year / Afterwards he took many of the pictures used in this issue. Thanks Chuck!

To our Judges. A great job with the judging.

So now, last but most definitely not least, Craig McCollum. Your efforts on the behalf of this show are way to many to list. The prizes, donations, and trophies are among your accomplishments. Please keep up the great work. You and your efforts are and will continue to be appreciated by all in our club.

Next year, the show will be even better, and I am looking forward to it so much.

Don Romaine; President
