LIVELY TECH CAR SHOW

On March 5th 2022 Lively Tech will be the site of a great car show. It will start at 9:00 am and last until 1:00pm. We will have a table and our club banner set up along with applications and any magazines that we collect to give out.

These folks are good to TRAACA, now we can return that by getting as many of our cars out there as possible. This is a great opportunity to get out and enjoy the cars.

TRAACA Club News

After the Executive board meeting and our General meeting in February, the following was decided:

1. The meetings will be handled with more Parliamentary Procedures in place. This means all discussion regarding ideas. Plans, expenditures will be put in the form of a motion requiring a second. They will also require a vote of the membership present. The present membership will form a quorum of the club at that time.
2. There will be three committees in effect. 1. the Membership Committee , 2. Tours and activities Committee, and the Lively Tech Scholarship committee.

Any other committees will be formed as required for special events.

3. It was discussed that we should look into reforming the Honor Flight show at the D.O.T. building. This was a great show but was canceled because of the covid lockdowns. A committee should be formed to look into this

4. It was decided that the club, as a whole, needed to have more activities. This time of the year seems to have many. I will forward any that come to me, and ask everyone to do the same. —Don R.

2022 WATERMELON FESTIVAL

The new web site is up for the Monticello Watermelon Festival for 2022. This is our big event that gets our club a lot of exposure. Please see the attached flyer and registration sheet.

As usual, Club members are entered free as show only, and not eligible for trophies. Mark your calendars for this one!

GERBER COLLISION CARS AND COFFEE

As you are aware, we hold a Cars and Coffee get together at the Gerber Collision shop, on Appalachee Parkway, the second Saturday of the month. The time is 9a.m. till 12 p.m..

The meeting for February was on Saturday the 12th. We were able get out there and show off some of our cars, and talk to folks about them.

The folks at Gerber always go out of their way to make the event as welcoming as possible. The coffee is hot, and the donuts are great!

A big thank you goes out to them for their efforts!

We parked our cars closer to the roadway so travelers could see them. It seemed to help draw in more folks

Our Cars and Coffee was also adver-

tised on Facebook. There were several new folks that are joining the club.

In the future we will be parked close to the road as we were this month.

Thanks to Neal Davis for bringing the hot coffee and the donuts.

The next cars and Coffee is scheduled for March 12th.

Please come out and join us!

PHOTOS FROM FEBRUARY CARS AND COFFEE

AACA Nationals in Melbourne Florida

I attended and Judged at the AACA Nationals in Melbourne. The show was held on the grounds of the National Muscle car Museum February 25 + 26th.

The National Muscle car Museum is entirely solar powered. There were huge panels all around the property. These provide all the electrical needs for the several buildings. They also provided welcome shade to the participants and attendees.

First let me say that these club members that worked the show were very caring and friendly. They drove around in carts with enough cool water to sink the Titanic again. Any help you needed they provided. A big thank you goes out to the Cape Canaveral Region for a great show!

I was involved in judging the DPC class along with Neal Davis. There were some very nice cars in that class. Gary Edwards had his beautiful GTO convertible there, and it was looking great! In DPC there were three Corvairs, a Bricklin, and several 50's Corvettes. All showed very well.

I am including some pictures I took there, and will include more once they are sent to me for the next issue.

Had a great time and earned three more judging chips!

ABOUT OUR CLUB

The Tallahassee Region AACA (TRAACA) is the Regional club chartered to the AACA National Organization. The AACA was established in 1935 and is dedicated to the history of the automobile, and the preservation and/or restoration of vehicles 25 years old or older. This includes cars, trucks, commercial vehicles, and motorcycles in original or restored condition.

TRAACA was established in 1970. Activities include, regular meetings, judged and non judged shows, displays, local tours, Rallies and Participation in national events put on by AACA.

If you wish to become a member of our regional club, Then you are also required to join the AACA national club. Belonging to these clubs gives you many benefits. There is access to the National AACA show held at Hersey Pa each year, access to other members that are a wealth on information on most car projects. You may just enjoy the fellowship of other car owners. You can download an application at TRAACA.org. Ownership of an antique automobile is not a requirement for membership.
