Breakfast at the Cracker Barrel on Friday morning after our weekly meeting. 8:30 am.

TRAACA Member Profile

RUSS AND NANCY HAINES, Members of the Tallahassee Region, Antique Automobile Club of America

In 1967, Russ Haines and his wife, Nancy moved to Florida from Indiana with a dark green 1928 Chevrolet with bright yellow pin striping and disc wheels. Russ became a member of the local Ford Model A Restorers Club. Russ saw the club transform into the Tallahassee Region (TRAACA) of the National Antique Automobile Club of America (AACA) in 1973. In 1975, Russ became president of this club.

Over the years, Russ actively participated in numerous car shows, parades, and cruising events. He liked to share new jokes and willingly helped club members with their car issues. Nancy often contributed by bringing food, including her famous "dump cake." The Haines family participated in several Glidden Tours over the years.

In 1974, Russ traveled to Kansas and acquired a 1929 Straight-6 Chevrolet, which he restored and painted a beautiful light blue. The car won the prestigious Senior Award at a national AACA competition, making Russ the first member of the Tallahassee club to achieve this honor.

Later, in 1991, Russ embarked on another restoration project, this time a 1917 Haynes. He sourced parts from various places, even obtaining Amish made wooden spoke wheels. He completed the restoration in 1994 and took the Haynes to Kokomo, Indiana for the 100th anniversary of the Haynes Factory. He proudly won the Spencer Huffman Memorial Award there. That car is now in the Stahls Automotive Foundation Museum in New Baltimore, Michigan. If you visit the Stahls Automotive Foundation's website, you can listen to an audio recording of that same 1917 Haynes' engine running.

Russ continued to achieve recognition for his classic automobile skills by showing the Haynes at AACA shows.

Early in 1995, Russ showed the Haynes at a National AACA meet and won the First Junior award. Then in June, 1995 at Hiawassee, Georgia he showed and was awarded the AACA Senior award solidifying his reputation as a restorer.

In 1997, Russ purchased a 1958 Ford Fairlane for \$800. The car had been sitting under a carport for years, with water damage to the engine and transmission. Russ managed to fix it and subsequently drove the car to his 40th and 50th class reunions in Indiana. The car is now owned by his daughter, with Russ storing it on her behalf.

Russ and Nancy Haines pictured with their 1929 Chevrolet.

Vice President's Corner

50-50 Drawing for May

Bob Grimes won \$44.00 in the drawing. He then donated it to the Jack Hanbury Automotive Scholarship.

Russ Haines won a bucket of car care products donated by Carquest of Tallahassee.

Lori Brown won a Voltmeter courtesy of Carquest of Tallahassee.

TRAACA would like to recognize CARQUEST of Tallahassee and CARQUEST of Monticello for their generous donations to the club.

They are both great places to shop and always ready to lend a helping hand.

Thanks Folks!

Tallahassee Region A.A.C.A. Turns 50!

The Tallahassee Region AACA (TRAACA) is a Regional club chartered by the AACA National Organization. Our club was established on February 27 1973. On May 20th 2023, our club gathered at the Tallahassee Antique Automobile Museum to celebrate our 50th anniversary as a club. We had pictures taken with the oldest car there, a 1900 Snell. We had several of our founding members in attendance, John Wells, Joe Wells, and Devoe Moore. We had 42 of our members present for the group picture. After the pictures were taken, Devoe Moore encouraged the members tour his two story museum that houses not only cars, but diecast cars, pianos, and the original Batmobiles. Thanks Devoe! It was enjoyable. As a club chartered to the Antique Automobile Club of America, we fully support the goals of the Club. Our members have cars that are 25 years or older. This includes cars, trucks, commercial vehicles, and motorcycles in original or restored condition. Our members have a wide variety of classic vehicles, and enjoy driving them. The club's participation in Tours, National events, local shows etc is enjoyed by many.

TRAACA supports the automotive program at Lively Tech School through the Jack Hanbury Scholarship. We provide two \$500.00 awards to deserving students. We have also started a third scholarship along the same lines, To date, all of the recipients are employed in the automotive sector. Our club sponsors a yearly car show at the Monticello Watermelon Festival. It has been well attended and continues to grow. We look forward to having this club grow even further through recruiting and local activities. We have been around for 50 years, and look forward to even more! -Don Romaine

**“Don’t Store them,
Drive them”**

The Tallahassee Region AACA (TRAACA) is the Regional club chartered to the AACA National Organization. The AACA was established in 1935 and is dedicated to the history of the automobile, and the preservation and/or restoration of vehicles 25 years old or older. This includes cars, trucks, commercial vehicles, and motorcycles in original or restored condition.

TRAACA was established in 1970. Activities include, regular meetings, judged and non judged shows, displays, local tours, Rallies and Participation in national events put on by AACA.

If you wish to become a member of our regional club, Then you are also required to join the AACA national club. Belonging to these clubs gives you many benefits. There is access to the National AACA show held at Hersey Pa each year, access to other members that are a wealth on information on most car projects. You may just enjoy the fellowship of other car owners. You can download an application at TRAACA.org.

Ownership of an antique automobile is not a requirement for membership.
